July 1, 2025

Dear Friends,

It's that time of the year again, Michigan—time to grab your family and friends and enjoy a Michigan county fair. From the expansive livestock barns of the Allegan County Fair to the demolition derby at the Armada Fair, Michigan's county fairs are full of educational opportunities and entertainment for the whole family.

There's something truly special about our communities coming together each year for their county fairs and celebrating what makes Michigan such a great place to live—our vibrant communities, rich agricultural heritage, and hardworking families. Whether you're enjoying local foods, cheering on the next generation of 4-H stars and future leaders of Michigan's agricultural industry, or just soaking in the excitement, I have no doubt that you will have a great time at your local county fair.

As your Governor, I am proud of the hard work and passion that goes into the exhibits and projects showcased at our county fairs. Whether you are a sponsor, exhibitor, or fairgoer, thank you for supporting your community and I hope you enjoy one of Michigan's many county fairs this summer!

Sincerely,

DR. TIM BORING
DIRECTOR

Dear Friends,

On behalf of Michigan's fair industry, welcome to the 2025 county fair season!

Millions of people attend Michigan's county fairs each year, enjoying the sights, sounds, and activities that have become an annual tradition across the state.

Michigan's county fairs are cornerstones of social and cultural community identity. These annual events bring people together and maintain essential connections to rural traditions at a time when people are increasingly disconnected from agriculture and food production. Our state's 85 local, county, and state fairs provide safe, family-friendly entertainment and celebrate our important agricultural heritage.

County fairs also support nearly 50,000 Michigan youth who participate in livestock and community art exhibitions each year. These youth activities are meaningful educational and professional development opportunities and build lifelong connections with agriculture. The support provided by local businesses and families also provides meaningful resources for continuing education.

Whether you are here as a sponsor, exhibitor, or fairgoer, many family memories await you. I wish you great adventures during the 2025 fair season.

Sincerely,

A handwritten signature in black ink that reads 'Tim Boring'.

29. The fair board, project superintendents, fair staff and programming committees are enthusiastic about giving every opportunity to youth to complete their project(s) by exhibiting at the Kent County Youth Fair. The Fair Board recognizes that there are situations where an early release is necessary. In instances where the fair dates conflict with personal schedules, exhibitors should contact their project superintendents to obtain information regarding alternative methods of exhibiting or completing their project. Early releases of projects are allowed under specific circumstances. Please see the early release policy under the Board Policies and Procedures section.
30. Removal of any exhibit prior to the published release time without proper approval will not be tolerated and may result in fines to be determined by the department superintendent. Please see the Unexcused Early Removal policy under the Policies and Procedures section.
31. Failure to comply with the Kent County Youth Fair rules may result in the exhibitor being unable to show at the Kent County Youth Fair in the following fair year.

SHOWMANSHIP SWEEPSTAKES

Co Chairs: Heidi Zylstra: 616-9157634 heidi.tena@gmail.com

Jennifer Hall: 616-914-3378 spaansjennifer@gmail.com

The top Intermediate and Senior Showmanship winners of horse, dairy, market dairy, beef, sheep, swine, goats, market goats, poultry, cavy, dogs, and rabbits will compete in a Showmanship Sweepstakes. Each participant shows all 12 types of livestock. Poultry, cavy and rabbits are shown individually to the judge. All others are shown in a group of 12. Minimum age is 13 years old as of January 1 of the current Fair year. An exhibitor that wins Intermediate or Senior Sweepstakes cannot participate again in that same level. Past Intermediate Sweepstakes winners can compete on the Senior level once they reach that age. The Kent County Showmanship Sweepstakes was first introduced by Robert Knisely, Dairy Extension Specialist. The competition was patterned after Little International, a showmanship contest at Michigan State University, sponsored by the Block & Bridle Club. The purpose of this contest is to broaden the knowledge of each participant's showmanship abilities and to recognize those individuals who have met the challenge of acquiring showmanship skills across multiple species. It is a competition where qualified Senior (and Intermediate) showmen compete against other showmen from other represented species, in a showmanship class of each species to determine the champion overall showman. The Sweepstakes Committee runs the event and works with the animal superintendents on the implementation of the event details. Our mission is to run an event that is fair, efficient, fun and enjoyable to the public.

CONTESTANT-SPECIE REPRESENTATION

All contestants must represent the species in which they qualified first. There will be no choice if the contestant qualifies in a second area. The winner of each showmanship class has until the end of their species' show to make a decision regarding their participation in sweepstakes. Once the exhibitor has committed to representing their species, they cannot renege on their decision without permission from both their department superintendent and the sweepstakes superintendent. The contestant from any one species cannot be any lower than the next eligible exhibitor up to third place showman or there will be no representation for that species. Contestants must be valid fair exhibitors, with a premium statement submitted by June 15 on file at the fair office as stated in the "Fair Entry Instructions" portion of the fair book. Contestants' showmanship animals or animals from their family herds will not be allowed to participate.

CODE OF CONDUCT

Use of cell phones or texting devices is prohibited during the competition. No study materials will be permitted once the competition starts. Contestants must sit in designated bleacher area when not showing. Please limit communication to fellow contestants or the judging table if you have a question. Disciplinary action will be decided by the Sweepstakes Committee and a KCYAA board member on a case by case basis. Penalties could range from points deduction to disqualification.

SCORING

Judges assigned points to exhibitors by giving a placing to each contestant. Each placing shall be assigned a low range score from 1 to 12. These placements will be kept confidential from the exhibitors until scores are shared after the contest is over. The showman with the lowest score at the end of the contest will be declared champion overall showman for the Senior or the Intermediate class. In case of a tie for winning score, the contestant with the lowest high score wins. If high scores are equal, ties are broken based on the first differing score. Scores are kept in the strictest confidence. There are 2 score keepers who check each other's totals. The data is given to the Sweepstakes chairperson who sends individual score letters promptly after the fair is over and then deletes the data.

AWARDS

The winning contestants in the Senior and Intermediate Divisions each will be awarded a Showmanship Sweepstakes trophy. All contestants are given a sweepstakes T-shirt to wear.

2024 Royal Court

Queen: Sarah Harper

Hello, my name is Sarah Harper! I am 17 years old and currently a senior at Lowell High School. I'm part of the Working Paws club and show both my dog and cavy. My hobbies include reading, hiking, theater, photography, art, anything fashion-related, singing, and showing my dog. Besides showing my animals my favorite part of the fair is the supportive community. Everyone comes together to help one another succeed, and it's one of the things I look forward to every year. I'm extremely excited to be on the court to share my fair experience with others and answer questions from little kids, along with volunteering around Kent County and finding new ways to help improve the royal court!

Court: Johanna Bailey

Hi I'm Johanna Bailey and I'm 20 years old. I am in my second year of college at GRCC in the environmental science and sustainability transfer program. Some of the things I enjoy doing are swing dancing, line dancing, reading, and playing cards. My club is Savage Faith and my favorite part of fair is The horse superintendent, Travis. With working, school and helping my grandparents with medical issues, Travis has worked really hard to make fair a possibility for me this year. This part of my year is something I need in my life and Travis has shown such kindness, generosity when I really needed help. For that I am so grateful and that is what is the best part of fair for me this year. Being on the royal court I am excited to volunteer and do things to better our community. Plus getting dressed up is fun too.
